Academic Project

The effect of Parental Education on Child Education: This project studies the effect of parents' education on their children's educational attainment using multivariate linear regression model. The data required for the same were collected from a primary survey of 100 households in a village Rawla in Rajasthan. The statistical package STATA was extensively used for checking various econometric outcomes. The finding of the study showed that there exists a positive and significant relationship between parental education and child education.

Summer Project

Mahatma Gandhi National Rural Employment Guarantee Act (MNREGA):

Duration: Two months

Location: Khunti(Jharkhand)

Guide: Prof Jean Dreze and Reetika Khera

Was a core member of the team which conducted a detailed survey for finding the efficiency level in the implementation of the MNREGA under the able guidance of Prof Jean Dreze. Analysis revealed significant loopholes in the implementation of the act. The result of our survey compelled the government to acknowledge the inefficiency in the program and adequate compensation were given to laborers.

Positions of Responsibility

- **President, The Economics Society (2005-2008):** As the president of the economics society of my college, I successfully managed the college finances and was also instrumental in coordinating the annual festival of the college.
- **Member, Prayaas-DSE, 2009-2011:** Worked as a volunteer for the organisation of the blood donation camp in collaboration with Rotary Blood Bank.

Key Academic and Extra-curricular activities

- Secured 1st rank in the college in the Bachelors Degree Examination.
- Secured 2nd rank in the Block Level Inter-College Economics Aptitude Examination in the year 2006.
- Received 'Pratibha Chayan Award' in the year 2008 for academic excellence at the undergraduate level.
- Participated in Inter-University Badminton Championship.
